

Inclusive Dissemination Strategy

Social Media Campaigns

Share live updates and results on Instagram, LinkedIn, and Facebook to engage youth.

Impact Testimonials

Create short video interviews with participants to share authentic personal growth stories.

Project Results Platform

Upload final outputs to the official Erasmus+ portal for European-wide visibility.

Local Press Releases

Publish articles in local newspapers to inform the community about project impacts.

Multiplier Events

Organize public workshops or seminars to showcase results to relevant stakeholders.

Digital Newsletters

Send regular email updates to partner organizations and interested youth networks.

Infographics & Toolkits

Develop easy to digest visual guides that summarize the key learning outcomes.

Stakeholder Meetings

Present project findings to local authorities and NGOs to ensure long term sustainability.
